Coming off the team’s fifth season under head coach Tim Whittle, the Scots are ready to take another important step in the progress of building a lasting tradition of basketball at Macalester College. Whittle came to Macalester from his alma mater, Washington University in St. Louis, and helped lead the Bears to three straight Division III Final Fours (2007-2009) and back-to-back National Championships (2008 & 2009). He coached and recruited the 2008 Division III National Player-of-the-Year, six Division III All-Americans and three Academic All-Americans in his five years as an assistant with the Bears.
