Equipment Needed: Tennis shoes must be worn in the facility. Players will need their own gloves and any protective equipment desired. Players are encouraged to bring their own bats. Batting helmets and all protective screens will be provided. Please have all equipment clearly marked (with your name) prior to coming to camp.

For applications, additional information or questions please contact Matt Parrington at 651-696-6770.

HIGH SCHOOL GROUP

The High School Camp is available to individuals grades 8 to 12. This is a comprehensive camp. The format of this camp has been developed to provide detailed instruction on the offensive and defensive fundamentals of the game. This camp will give players exposure to college-level coaching and evaluation.

YOUTH GROUP

The Youth Camp is available to players from grades 1-7. Individual instruction on the fundamentals and techniques of throwing, hitting, bunting, fielding, base running and baseball strategy will be covered in this two day camp. The format will include lectures, demonstrations and a wide variety of individual practice drills and techniques.

GOAL OF THE CAMP

Our aim is to combine the knowledge of the coaching staff with the enthusiasm and abilities of our campers while providing players with a positive environment in which to learn and improve baseball skills and techniques.

All players will receive 7.5 hours of individual and group instruction during this camp. This camp provides an opportunity for players to enhance and refine skills during the winter months.

ABOUT THE FACILITIES

Macalester College Fieldhouse is one of the finest baseball training facilities in the area. The newly constructed Leonard Center was completed in August ’08 with a price tag of $45 million.
